ABOUT ME

I learned early on how to be relied on and build an outstanding creative team who work together for a common goal. Over my career I realized I could also use my talents as an independent contractor. I obsess about finding creative solutions to problems. But, this is only a resume so check out my site for my design portfolio, as well as, demo reels featuring directing, editing, and color correction.

CAREER (13+ YEARS)

Creative Director, Owner | CHD STUDIOS, LLC

Graphic Design & Video Editing

March 2020 - Present

- Working globally as a Designer and Video Editor with multiple clients
